Accommodation

Choosing the right accommodation is as important as choosing the right course. This is why, we work with well established agencies which offer a range of accommodation options, including homestays, flatshares and students halls of residence.

a great way
to stay
in London

We cater for all budgets and all students' special requirements. All accommodation is carefully selected and visited by our Welfare Officer. We take great pleasure in helping you find the type of accommodation that is most suitable for you.

Homestays

There is no better way for you to experience "British" life than by living in a friendly and caring environment where you can immerse yourself in the English language. We try to place only one student of the same mother tongue when two or more students are staying in the same homestay.

Flatshares

Flatshares will offer you the chance to stay in central London at reasonable rates. It is good value for money, a lot of fun and a great way to meet new people.

We will try our best to place you in multinational flats; however, you may well find yourself lodged with students of the same nationality. This may mean a possible loss of contact with speakers of English outside the classroom. We will advise you if this is the case.

Student Halls

Holborn Halls of Residence offers accommodation from the famous London School of Economics (LSE) and is only a two minute walk from our school. This accommodation is available to students of ABC School of English during the summer months (the beginning of July until the middle of September).

Holborn Halls of Residence are set up in a flatshare layout and each flat has up to five rooms. There is a fully equipped eat-in kitchen, a shower room and a toilet (shared by four to five guests). The kitchen is provided with: utensils, cooker, fridge, tea/coffee maker.

Airport Transport

When you arrive at one of London's airports, make sure you travel to your accommodation the safe and affordable way. We can provide you with transport from the airport to your accommodation.

Socialising is vital to your progress, therefore we organise an exciting and fun packed programme of free and paid social events for you (not included in fees), including sports events, day trips out of London to places of historical and cultural interest and nights out in London.

It is a great way to meet new people, learn about British culture and practise your English outside the classroom.

“ It has been a great experience and I enjoyed every single day I was there. Once I stepped into the reception on my first day, everyone was very friendly and helpful to show me around the school.

Clara, student from Germany

“ I attended the school for a few months and I took both Callan method and an IELTS course and I do not hesitate to say my English became quite fluent.

Sergio, engineer from Spain

“ Everyone who works at ABC School is so kind and friendly, and it is therefore possible to learn so much. My knowledge of English improved and I also learnt practical ways to use my English in real life situations.

Hitoshi, student from Japan

“ At ABC, you have activities very often (trips around some other cities, picnics in the park and every Friday all the students and teachers gather at the pub) to meet new people and practise English, of course.
